Diplomats' Conference
2015

United Nations Security Council

ISIS has declared war upon the West.

Iran has pledged full support for ISIS in this war.

Russia and China have stated they will nuke ISIS and its' allies if the U.S and its' allies don't intervene with armed support and eliminate ISIS by whatever means necessary.

Barrack Obama had declared Russia and China to be state sponsors of terrorism hence they will not negotiate with the demands of these so called terrorists, ISIS included.

The North Korean UN Ambassador has declared that N.Korea will use all available resources to destroy the United States Of America to end their tyrannical rule over the world.

World War 3 will begin unless the delegates of the UN Security Council come to a resolution to the greatest conflict in history

There will be more updates during the conference.
